What did you hope to gain by attending *Inspiring Leaders*?

"I hoped to refine my knowledge and experience of leadership development and sustainability. Which I can apply in my job as well as passing it on to the groups I am involved with and lead in a voluntary capacity."

What impact has participating in *Inspiring Leaders* made to you?

"The course helped to increase my confidence when challenging the status quo. I am more open to the input, and even the critical challenges, of other people as I recognise it does not have to compromise my belief, vision or goals."

How would you describe the *Inspiring Leader's* experience?

*"I found the course most refreshing and indeed inspiring. **All the subjects were directly relevant to my daily job. The trainers were approachable and well informed, and the sessions were creatively delivered.** I certainly did not expect to laugh and have as much fun as I did. I met some fantastic individuals on the course, which made all the difference."*
